DETAILED ACTION

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Claims 1 – 10 are considered allowable since when reading the claims in light of the specification, none of the references of record alone or in combination disclose or suggest the combination of limitations specified in the independent claims. As to claims 1, and 6, the prior art of record does not disclose expressly a modem interfaces signals to and from the host interface and that transfers commands and data associated with analog type telephone calls to and from a modem processor in the telephone data processing system, the modem processor processing analog type telephone calls; and an ISDN interface that transfers signals to and from the host interface and that transfers commands and data associated with ISDN telephone calls to and from an ISDN processor in the telephone data processing system, the ISDN processor processing ISDN telephone calls.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
